"TWIST" PART 2 OF 5

During the capture and extraction of Eddie Brock, Nick Fury and his S.H.I.E.L.D. team were attacked by Robertson, who is still in control of the new symbiote. Fury and his men were not, however, the target...the target was Eddie Brock—the original Venom.

Acting on a tip from Bob, who had disguised himself as The Suit, Robertson infiltrated Fury's team and, once Venom had been captured, attempted to destroy the creature.

It didn't go as well as she'd hoped.

Now, with Fury still up and running—and very unhappy—and Bob and his agents standing in the wings, waiting for the perfect opportunity to pounce, Robertson must push herself toward her intended goal: Kill Venom and the threat it represents. Which is almost impossible.

Especially with Spider-Man around.
